## Dance Performance Workshops

Dance Performance Workshops (DPWs) are full-year programs intended for motivated young people (ages 9-17) who are ready to commit to comprehensive dance study, emphasizing:

- Performance skills and improvisation
- Student-directed choreography
- Multiple performance opportunities

DPW admission and advancement is evaluated based on ability, commitment, potential and progress. Interested students new to BAX are encouraged to call the Education Department. Currently enrolled BAX students are invited to join DPW I from Modern III or Modern IV.

## About BAXco

BAXco, BAX's youth dance company, performs work by professional choreographers and is a pre-professional model for young dancers wishing to expand their experiences in the dance community. BAXco is comprised of DPW II and III students who have auditioned, providing additional training and performance opportunities. BAXco are also ambassadors for BAX programs, performing throughout NYC and beyond. Auditions will be held Saturday, October 3, 12:00-2:00pm. Please call for appointment.

## Testimonials

*"Who knew that a 7-year-old could be as creative as we've seen her be? We had no idea. BAX has brought out a side of her that I don't think we would have seen otherwise. This is a place that takes very seriously how children can develop creatively."*

—Sara Dean Palmer, parent

*"BAX teachers respect children. BAX provides a well rounded dance program that nurtures each child's creative voice, and supports physical, cognitive and emotional growth."*

— Sandra Stratton-Gonzalez, parent
